

GENESYS

**No Nonsense Digital Phone. Anytime...Anywhere.**

**Just Dial Away!**

Talk Really Is Cheap\* with our GeneSys® Truly Unlimited Digital Phone Service. Enjoy the convenience of truly unlimited local phone service, unlimited long distance and unlimited international calling right over your broadband Internet connection at incredible savings of up to 80%

**PLUG IN ANYWHERE AND DIAL AWAY!**

Another awesome feature of our service is that you have the freedom to move your phone service at anytime and use it from anywhere in the world with a broadband Internet connection, without the need of a PC or laptop. Take a Look at a few examples of just how remarkably powerful this feature is for families that span the miles, kids off in college and frequent leisure or business travelers.

**CRYSTAL CLEAR. CHEAPER. MORE CONVENIENT. PREMIUM.**

More dependable and has better call quality than Vonage, Packet8, Broadvoice, Zingotel, Time Warner and other companies. Triniticom works over the Internet instead of the traditional phone networks, it allows you to do a lot more things while leveraging the cost of your Internet connection at the same time.

**WHY PAY MORE THAN \$20 A MONTH FOR PREMIUM PHONE SERVICE?**

Signing up is just the first step in experiencing a company who truly cares that you are taken care of, are getting the most for your money, and are receiving the best possible support and service. This is one of the many reasons that 80% of new clients are referred by existing GeneSys™ customers, speaking volumes to our reputation and commitment to top-notch service.

“My family and I have been using the Genesys VOIP phone service since 2011. The service is GREAT! We have found the clarity and reliability to be fantastic. It has ALL the options you would ever need...”
